

University of Naples Federico II - San Giovanni complex
29 September 2017 – Great Hall
11:00 - 13:00

IEEE Day aims at celebrating the first time in history when engineers worldwide and IEEE members gathered to share their technical ideas in 1884.

IEEE Day represents an opportunity to initiate, motivate, and empower members to engineer the future, by sharing ideas, vision and excitement with other members worldwide

Program

- 11:00 - 11:10: Welcome message by IEEE Italy Section Vice-Chair Prof. Bernardo Tellini
- 11:10 - 12:00: Leveraging Technology for a Better Tomorrow
(Tasks and Challenges for IEEE Chapters e Affinity Groups of Italy Section)
Prof. L. Angrisani, Chair of Instrumentation and Measurement (IM) Chapter;
Prof. A. Iodice, Chair of Geoscience and Remote Sensing South (GRS South) Chapter;
Prof. A. Moschitta, Chair of System Council (SYS) Chapter;
Prof. C. Lo Storto, Chair of Technology and Engineering Management (TEM) Chapter.
